**Fundraising First Aid offers an outstanding way for schools, sports teams and other groups to fundraise**

**- by selling our First Aid Kits.**

## About us

At Fundraising First Aid , we supply a quality First Aid kit that your group can resell at a significant profit - and we make the whole fundraising process easy for you by supplying everything that you will need including order forms and promotional fliers which can be downloaded from our website.

You don't even need to purchase any stock from us until after you have collected your individual orders. Simply use our promotional materials to advertise the kits to your families and community, then place your bulk order with us.

## Pricing Table

**Cost to your group per kit (incl GST)** \$27.95

**Recommended selling price (incl GST)** \$39.95

**Your group's profit per Kit** \$12

You can now also make \$13 per kit if you meet our high volume threshold!

## Why use us for your next fundraiser?

Our First Aid Kits sell extremely well in the marketplace (similar kits usually retail for much more than \$40!), and with such an attractive profit you can be sure to achieve your fundraising goals in no time at all!

Even if you have other fundraising activities organised - you can easily sell our First Aid Kits as an additional fundraiser which requires no upfront investment. Imagine how easy it would be for each member of your group to sell just one kit to a family member or relative - I'll let you do the maths!

- No Minimum Order Quantity and quick turnaround as we hold the kits in stock
- No upfront costs
- We provide order forms and sales templates to get you started
- Free shipping on orders over \$500
- Much better than selling chocolate and unhealthy snacks and great for your public image!

**Fundraising First Aid would welcome the opportunity to discuss your group's fundraising needs with you and we have sample kits available.**
